

P. N. Corsets Improve the Figure!

SOME OF THEIR GOOD FEATURES.

The extra side-pieces makes the breaking down of the Corsets impossible. These side-pieces can be removed from the pockets wherein they are set and reversed from time to time, insuring permanent shape lines to the Corset and adding to its lease of service.

If a lady wishes ease in reclining the side-pieces may be removed and replaced at her pleasure.

The cork steel protector used in all P. N. Corsets will keep the front steel from breaking and rusting.

We recommend that you try P. N. Corsets. Prices 50c, \$1.00, \$1.25 and \$1.50.

Concert at Stearnway Hall, London: "Haydon Collin and a number of prominent vocalists assisted, but the hit of the afternoon was made by Marie Parcelllo Bisby, an American contralto, who created a furore by her singing of the Grand Aria from Samson et Delila. County examiner of teachers C. D. Mathewson went to Roxbury today to act as arbitrator of a dispute between a few families and the town of Roxbury. These families wish to send their children to a school in Northfield as the school is nearer than those in Roxbury. In that case, however, the town of Roxbury will be called upon to pay the tuition and insurance as Roxbury is supporting schools the town officials there think that the children residing in the town should attend the home schools. Efforts to get the matter settled up between the principals concerned failed, and so the petition was sent to the county examiner.

In spite of the storm there was a good attendance at the Methodist church last evening to partake of the excellent cream fish supper and enjoy the interesting program given by the choir, assisted by Fred Davison and F. D. Parmenter. The concert was fully up to the standard of previous concerts given by the choir every number being well rendered. The reader, Fred Davison, of Montpelier seminary, fairly captivated his audience, keeping them in an uproar throughout his readings. His impersonation of Farmer Judkins was exceptionally good. Surely the Methodist people have every reason to be proud of their choir and their excellent cooks.

BIG CUT IN SHEET MUSIC

25-Cent Music Now at 17 Cents.

As ever, we are the leaders in popular prices. We reduced the price of Sheet Music from 50 cents to 25 cents several years ago, being the first firm in this section to cut the price in two. We now propose to make a still further cut, and from now on will sell popular music at 17 cents instead of 25 cents. Our stock is large, is kept fresh and up-to-the-minute and we are pleased to have you come and examine the new Music.

We Want You to Call and Hear the Music

We are glad to play it and we will not ask you to purchase. This includes no obligation on your part whatever, as we are glad to have you hear the new selections.

IT KEEPS US BUSY

Telling the ladies about our New Spring Goods, and the best of it all is that they appreciate our efforts to be first at the latest kinds. Coughs Easily Cured

Coughs are a result, not a disease. They are the result of inflammation, caused by a cold, invading the delicate capillary air-tubes in the lungs. All the narcotics in the world will not change the condition. They simply deaden the senses and afford temporary relief from the cough while the real trouble—the inflammation—may go deeper and deeper and become more dangerous.

Kendrick's Northern Pine Cough Balsam

allays this inflammation and quickly corrects the condition in the lungs and bronchial tubes that causes the cough. Don't waste your time with narcotic cough mixtures; take the remedy that acts directly on the seat of trouble. We warrant it. Price 25c.
